

## About Diploma In Logistics Management

### Industry-Focused Diploma In Logistics Management Malaysia Programme

Peninsula College's Diploma in Logistics Management is recognised as one of the leading diplomas in logistics management in Malaysia at our state-of-the-art, The Ship Campus in Penang.

In today's world of global trade, effective logistics management has become more essential than ever. Logistics is vital for multinational businesses involved in both exports and imports. From the point of origin where products are manufactured to the final destination where consumers receive the goods, each step relies on the expertise of skilled logisticians to ensure seamless movement and delivery. Enrol in our Diploma in Logistics Management through our colleges in Penang and Shah Alam.
